

SNOW & ICE Melting Products at I.D. BOOTH

Elmira • Batavia • Bath • Corning • Cortland • Dansville • Geneva • Ithaca • Olean • Wellsville

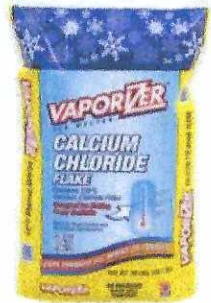

ROCK SALT

- Pure sodium chloride
- Most cost-effective ice melter
- Commonly referred to as halite
- 100% effective to 20°F
- Available in 50 lb bags

CALCIUM CHLORIDE PELLET

- Simply the BEST and most powerful ice melter available on the market
- Effective to -25°F
- Per application, calcium chloride melts:
 - 3 times more snow/ice than salt
 - 2 times more ice/snow than blends
- Available in 50 lb bags

CALCIUM CHLORIDE FLAKE

- 33% faster than NaCl and 27% faster than MgCl₂ flake
- 9 times faster than CMA
- Melts 8.5 pounds of ice per pound used
- Melts to -25°F, melt volume at 20°F
- Great for dust control
- Available in 50 lb bags

PRO-GRADE FIRE CRYSTALS™

- Infused with calcium chloride and CMA
- Screened and colored blue
- Superior results – works instantly, long lasting & melts 2-2.5 times faster than rock salt
- Using less product = better for the environment
- Just what pros demand – fast acting, long lasting colored crystals that melt snow & ice
- Available in 50 lb bags

PRO-GRADE POLAR VORTEX™

- Perfect for entrance ways, hospitals, schools, nursing homes and government buildings
- Designed for contractors and janitorial, sanitation applications
- Excellent and long-lasting melting power
- Contains: calcium, magnesium, sodium, potassium and CMA
- Designed to be used in spreader applications
- Available in 50 lb bags
